About Us

Grandpa Joe's Old Fashioned Chocolates is chocolate at it's finest. Four generations of chocolate making inspired us to establish Grandpa Joe's in 2001. We are a family-owned and operated chocolate company nestled in the heart of the Ozarks. The origin of our name is from our Great Grandpa Joe who attended a candy school in the early 1900's. He had a passion for chocolate making and passed down the recipes we use today. We use only the finest ingredients and offer over 35 different varieties of chocolate. We love chocolate as much as Grandpa Joe did and we're sure he'd be proud!

Fall in love with Grandpa Joe's Old Fashioned Chocolates. Delicious chocolate begins somewhere and our story begins with our

Grandpa Joe. Our Grandpa Joe dreamed of being able to provide people with one of a kind gourmet chocolates. In the early 1940's he began living his dream by perfecting his chocolate recipes and sharing his creations with his friends and family. He dreamed of opening a chocolate shop one day, but he never got to see his dream come true. Now, 60 years later, we are making our Grandpa Joe's dream a reality. Grandpa Joe's Old Fashioned Chocolates is family owned and operated in the heart of the Ozarks. We offer over 100 varieties of old-fashioned chocolates, toffee, and brittles that are made using four generations of treasured recipes and the finest ingredients available.
